

**“And The World Was Changed”  
(Enoch 8:1)**

*Dear Friends,*

*Greetings!*

*In Genesis, chapter six, the Bible tells us that during the time of Noah, that giants came into existence because of fallen angels who cohabited with the daughters of men. Today this is now a much more widely understood and accepted subject than in past years. Below is where we find the account of these happenings in the book of Genesis.*

“And it came to pass when men began to be numerous upon the earth, and daughters were born to them, that the sons of God having seen the daughters of men that they were beautiful, took to themselves wives of all whom they chose. And the Lord God said, My Spirit shall certainly not remain among these men for ever, because they are flesh, but their days shall be an hundred and twenty years. Now the giants were upon the earth in those days; and after that when the sons of God were wont to go in to the daughters of men, they bore children to them, those were the giants of old, the men of renown.” Genesis 6:2-5

*There is a fuller account of this event described in the book of Enoch, even naming the names of many of the fallen angels.*

“And it came to pass, when the sons of men had increased, that in those days there were born to them fair and beautiful daughters. And the Angels, the sons of Heaven, saw them and desired them. And they said to one another: "Come, let us choose for ourselves wives, from the children of men, and let us beget, for ourselves, children."

And Semyaza, who was their leader, said to them: "I fear that you may not wish this deed to be done and that I alone will pay for this great sin."

And they all answered him, and said: "**Let us all swear an oath, and bind one- another with curses**, so not to alter this plan, but to carry out this plan effectively."

Then they all swore together and all bound one another with curses to it. And they were, in all, two hundred and they came down on Ardis, which is the summit of **Mount Hermon**. And they called the mountain **Hermon** because on it they swore and bound one another with curses.”  
Enoch 6:1-6 (Emphasis added)

In 1869 Charles Warren made an interesting discovery on the top of Mount Hermon.

## RACHAYA CAZA

### QASR ANTAR

There is a sacred building made of hewn blocks of stone on the summit of **Mount Hermon**. Known as Qasr Antar, it was the highest temple of the ancient world, sitting at 2,814 feet (858 m) above sea level. It was documented by Sir Charles Warren in 1869. Warren described the temple as a rectangular building, sitting on an oval, stone plateau without roof. He removed a limestone stele from the northwest of the oval, broke it into two pieces and carried it down the mountain and back to the British Museum, where it currently resides. An inscription on the stele was translated by George Nickelsburg to read

**“According to the command of the greatest a(nd) Holy God, those who take an oath (proceed) from here.”**

Nickelsburg connected the inscription with oath taken by the angels under Semjaza who took an oath together, bound by a curse in order to take wives in the Book of Enoch (1 Enoch 6:6).

**Hermon was said to have become known as “the mountain of oath”** by Charles Simon Clermont-Ganneau. The name of God was supposed to be a Hellenized version of Ba'al or Hadad and Nickelsburg connected it with the place name of Baal-Hermon (Lord of Hermon) and the deity given by Enoch as “The Great Holy One”. [Eusebius recognized the religious importance of Hermon in his work “Onomasticon”, saying “Until today, the mount in front of **Panias** and Lebanon is known as Hermon and it is respected by nations as a sanctuary” (Emphasis added)

*It has been pretty much established that the fallen angels, or Watchers as they are also known, entered our world from the spiritual realm, another dimension on the summit of Mount Herman. It could be said that at the summit of mount Herman there was or is a portal or star-gate to another world. Nimrod was aware of this type of phenomenon when he commissioned the building of the Tower of Babel which was to reach onto heaven.*

*This is also what projects like CERN are hoping to achieve. They want to open a portal to another dimension. We have dealt with this in past entries.*

*Besides producing giants, which are often referred to as Nephilim, there were other unpleasant consequences that took place on earth because of the fallen Watchers. One particular Watcher named **Azazel** really did some major damage.*

“And Azazel taught men to make swords, and daggers, and shields, and breastplates. And he showed them the things after these, and the art of making them; bracelets, and ornaments, and the art of making up the eyes, and of beautifying the eyelids, and the most precious stones, and all kinds of coloured dyes. **And the world was changed.**

See then what Azazel has done; how he has taught all iniquity on the earth and revealed the eternal secrets that are made in Heaven.

And the whole Earth has been ruined by the teaching of the works of Azazel; and against him write: **ALL SIN.**” Enoch 8:1, 9:6, 10:8 (Emphasis added)

*In an interesting aside note is that Azazel is the name of the scapegoat in the Torah which was used to take away the sins of the nation of Israel.*

“The scapegoat was a goat that was designated (Hebrew זָרִיץ) la-aza'zeyl; either "for absolute removal" (Brown-Driver-Briggs Lexicon) or possibly "for Azazel" (some modern versions taking the term as a name) an outcast in the desert as part of the ceremonies of the Day of Atonement, that began during the Exodus with the original Tabernacle and continued through the times of the temples in Jerusalem.

Throughout the year, the sins of the ancient Israelites were daily transferred to the regular sin offerings as outlined in the Torah in Leviticus, Ch 16. Once a year, on the tenth day of the

seventh month in the Jewish calendar, the Day of Atonement, the High Priest of Israel sacrificed a bull for a sin offering for his own sins. Subsequently he took two goats and presented them at the door of the tabernacle with a view to dealing with the corporate sins of God's people — the nation of Israel.

Two goats were chosen by lot: one to be "The Lord's Goat", which was offered as a blood sacrifice, and the other to be the "Azazel" scapegoat to be sent away into the wilderness. The blood of the slain goat was taken into the Holy of Holies behind the sacred veil and sprinkled on the mercy seat, the lid of the ark of the covenant. Later in the ceremonies of the day, the High Priest confessed the sins of the Israelites to Yahweh placing them figuratively on the head of the other goat, the Azazel scapegoat, who "took them away" never to be seen again. The sin of the nation was thus "atoned for" (paid for) by the "The Lord's Goat" and "The Azazel Goat".

*Going back to the point that it would seem that the summit of Mount Hermon was a portal into another world, we would like to speculate on a possibility of a verse out of Revelation.*

“And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.” Revelation 12:9

*The question that we wanted to think about was where would the Devil be cast out onto the earth? What geographical location? He is not omnipotent, so it has to be a single place.*

*Could it be the summit of Mount Hermon, as there has already been a precedent of that mountain being the location of a door way of the fallen angels, Watchers? “*

*Another interesting observation are the ruins of an ancient temple on the summit of Mount Hermon.*

“In 1666, Louis XIV of France, authorized the building of an observatory in Paris to measure longitude. This was the beginning of the Paris Zero Meridian. Believe it or not, according to the “Paris Zero Meridian” Mount Hermon (and the ancient territory of Dan) is located at 33 degrees east of the Paris Zero Meridian (longitude), and 33 degrees north of the Equator (latitude)! The 33rd degree became an important part of Freemasonry, probably due to a history that dates back to the Knights Templar, the French Merovingian Dynasty, and their family ties to the Danites” Wikipedia

*What does the ancient tribe of Dan have to do with any of this? The tribe of Dan bordered Mount Hermon and according to Judges 17, were completely given over to idolatry and the worship of Baal.*

*In Genesis, chapter 49, Jacob prophesied over all of his sons and their role in the last days.*

“And Jacob called his sons, and said to them,

Assemble yourselves, that I may tell you what shall happen to you in the last days.

And let Dan be a serpent in the way, besetting the path, biting the heel of the horse (and the rider shall fall backward)” Genesis 49:1, 17

*There are many Bible prophecy teachers who have speculated that the anti-christ would come out of Israel, specifically the tribe of Dan. Even Winston Churchill made this observation.*

“In an article written by Winston Churchill and published in the Sunday Herald Newspaper on February 8th, 1920 titled “A struggle for the soul of the Jewish people,” Churchill said the following:

“And it may well be that this same astounding people may at the present moment be in the actual process of producing another system of morals and philosophy, as malevolent as Christianity was benevolent, which, if not arrested, would shatter irretrievably all that Christianity has rendered possible.

“It would almost seem as if the gospel of Christ and the gospel of Anti-Christ were destined to originate among the same people; and that this mystic and mysterious people had been chosen for the supreme manifestations, both of the divine and the diabolical...” Watchman Willie Martin Archive

*We want to go now to some other verses and their possible relation to a word we highlighted above, **Panias**.*

“And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit. And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit. And they had a king over them, [which is] the angel of the bottomless pit, whose name in the Hebrew tongue [is] Abaddon, but in the Greek tongue hath [his] name Apollyon.” Revelation 9:1-2,11 “And the fifth angel blew his trumpet, and I saw a star fallen from heaven to earth, and he was given the key to the shaft of the bottomless pit. He opened the **shaft** of the bottomless pit, and from the shaft rose smoke like the smoke of a great furnace, and the sun and the air were darkened with the smoke from the shaft.” Revelation 9:1-2 ESV

“The fifth angel sounded his trumpet, and I saw a star that had fallen from the sky to the earth. The star was given the key to the **shaft of the Abyss**.” Revelation 9:1 NIV

*There are others versions of the Bible that also use the term shaft and Abyss.*

*It has been proven that Abaddon or Apollyon is the Devil. So what does Panias have to do with any of this?*

Josephus writes in "Wars of the Jews" 1.21.3

"And when Caesar had further bestowed upon him another additional country, he built there also a temple of white marble, hard by the fountains of Jordan: the place is called Panium (Panias, Caesarea Philippi), where is a top of a mountain that is raised to an immense height, and at its side, beneath, or at its bottom, a dark cave opens itself; within which there is a horrible precipice, that descends abruptly to a vast depth: it contains a mighty quantity of water, which is immovable; and when anybody lets down anything to measure the depth of the earth beneath the water, no length of cord is sufficient to reach it."

*It is interesting to note that the cave at Panias has never been fully excavated and explored. What Josephus described was corroborated by the discovery of such a chasm outside the entrance, in the excavated area (although the grotto (cave) has not been excavated yet). Here, the partial collapse of a Roman vaulted substructure revealed a chasm . . . **the chasm reaches all the way to the underground water level**. It is likely, therefore, that a similar hollow once existed inside the cave and formed a 'sacred well' to the Paneion. The Hellenistic arrangement of the grotto awaits the clearing of the cave floor, presently covered by the collapse of the cave's roof in the 1837 earthquake. Few Hellenistic remains were uncovered in the excavation outside the cave, and it seems that in this period the cult place was confined to the natural cave." (NOTE: This means there is much more evidence buried in the remains. **Ancient descriptions and archaeology indicate a passage way into the earth**. The descriptions of a passage to the underworld may be confirmed by an **inscription that says "Gates of Hades"** to match Jesus' description of this place.*

*Pan's Grotto at the base of Mount Hermon*

"**The facade wall (front wall) of the temple has not yet been located.** However, coins of Philipus depicting the Augusteum show that it stood on a high podium and had four Ionic columns carrying an unbroken pediment. Three sculptured geison blocks . . . were found at the entrance to the grotto, among the fallen rock debris. These may have framed a passage of sorts from the temple to the grotto. It seems that the temple did not have a regular back wall; its adyton (a restricted area within a temple usually a small area at the farthest end that housed an image; similar to the Most Holy Place in the Jewish temple) was the grotto (cave) itself." from Galyn's Israel Photos. (Emphasis added)

*In the Book of Matthew, chapter 16, Jesus said something very interesting while visiting **Caesarea Philippi which is Panias**.*

"When Jesus came into the coasts of Caesarea Philippi, he asked his disciples, saying, Whom do men say that I the Son of man am? And they said, Some [say that thou art] John the Baptist: some, Elias; and others, Jeremias, or one of the prophets. He saith unto them, But whom say ye that I am? And Simon Peter answered and said, Thou art the Christ, the Son of the living God. And Jesus answered and said unto him, Blessed art thou, Simon Barjona: for flesh and blood hath not revealed [it] unto thee, but my Father which is in heaven. And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it." Matthew 16:13-16

*If the dragon of Revelation 12 were cast out onto the earth at the summit of Mount Hermon and given the key to the bottomless which he opens, could that pit be at the bottom of Mount Hermon at Panias at the "Gates of Hades"?*

*Of course the dragon and especially his angels would not just be confined to this area as Revelation 12:9 makes clear.*

"And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him."

***One last point; the present war in Syria.***

*Israel today controls the base of Mount Hermon where Panias is located, but Syria controls the summit where the watchers entered earth's realm. Another interesting point to note is that the highest United Nations outpost in the world is located on the summit of Mt. Hermon.*

*These types of locations are very important to the world's most important elites who are also some of the worlds top occultists.*

*When the United States invaded Iraq it was widely under reported that one very important mission they conducted was what was believed to be a visit to the tomb of Gilgamesh – Nimrod to retrieve a sample of his DNA.*
