

**“And no marvel; for Satan himself is transformed into an angel of light.”  
(2 Corinthians 11:14)  
Angel Of Light**

Most are familiar with the following Bible passages out of the book of Genesis.

(God said,) “...of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die.

(Lucifer said,) For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil.

And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat.” Genesis 2:17 and 3:5-6

So Eve believed the serpent, Lucifer, and didn't believe God and consequently sin entered the world and man, whom God had created to be an immortal being, became mortal and lost his immortality except through the death and resurrection of Jesus Christ by which immortality can be regained.

There is no doubt that Lucifer is the impetus behind the transhumanist movement which is gaining in strength and popularity with each passing day. This is something that is even openly expressed by some of the leaders of the transhumanist movement as illustrated by the following quote by Max More.

“Another leading transhumanist, Max More cut in: “I’m not the spawn of Satan, I’m the spawn of Lucifer!” This comment evoked some laughter, but More was serious. Mr. More wrote in 1991 that, “Lucifer is the embodiment of reason, of intelligence, of critical thought. He stands against the dogma of God and all other dogmas. He stands for the exploration of new ideas... Join me, join Lucifer, and join Extropy (the pseudoscientific principle that life will expand indefinitely and in an orderly, progressive way throughout the entire universe by the means of human intelligence) and technology in fighting God and his entropic forces with our minds, our wills and our courage. God’s army is strong, but they are backed by ignorance, fear and cowardice. Reality is fundamentally on our side. Forward into the light!” (And no marvel; for Satan himself is transformed into an angel of light. 2 Corinthians 11:14)

Another leader in the transhumanist field, Mark Pesce, does not mince words when he acknowledges he is more than ready to partake “of the tree of the knowledge of good and evil” offered by the serpent in Genesis 3:5.

He even goes to this extreme and openly states that he believes that transhumanism will allow us “to become as gods”...

Transhumanist Dr. Richard Seed wants the fruit so badly he has issued a warning to anyone who will try and stop him that it will mean war.

And what transhumanist Dr. Richard Seed has to say about all of this is quite frightening. He warns of “warfare” if anyone tries to prevent him from becoming a god...

Isn't it amazing that in the second decade of the 21st-century that nothing has really changed since the dawn of creation!

Here are men, and an entire movement, who want immortality but want to obtain it by other means than the plan that God has set forth.

Jesus said:

“I am the door: by me if any man enter in, he shall be saved. He that entereth not by the door into the sheepfold, but climbeth up some other way, the same is a thief and a robber.” John 10:9,1

So here we have, supposedly, some of the most brilliant minds on the planet barking up the wrong tree, “the tree of the knowledge of good and evil.”

“For the wisdom of this world is foolishness with God. For it is written, He taketh the

wise in their own craftiness.” 1 Corinthians 3:19

Questions arise from the video below, Global Future 2045 International Congress, which accompanies the article “Transhumanists: Superhuman Powers & Life Extension Tech Will Allow Us To Become Like God.

It seems the transhumanists believe that by the year 2045 man will have achieved immortality. Why 2045?

The video lays out in quite a lot of detail the step by step process and the means by which this will be realized.

Even Time magazine had a cover indicating 2045 would be the year man becomes immortal.

One of the questions that arises is: how can they be so sure?

We don't believe they can be so sure. These type of projections or predictions have been made in the past and not come to fruition.

Another question is why it would take until 2045? It would seem the way technology is advancing it would be a much shorter time and possibly already available.

Another question that comes to mind is why 2045, thirty-one years from now? Who would benefit from this advancement in science. Anyone of the older generation may not make to their scheduled date with immortality.

No, this lie of the Devil is aimed at the young of the world who are already surrounded and many obsessed and indoctrinated with today's electronic wizardry.

Satan is after everyone but in this issue particularly the young. Many of the individuals involved in this movement are even too old to benefit from what is supposed to be the eventual outcome.

It would not surprise us to see this movement linked to the coming “mark of the beast”.

Lucifer is not the angel of light, he is the angel of death.
