

**"God said, Let us make man in our image, after our likeness. So God created man in his own image, in the image of God created he him; male and female created he them."
(Genesis 1:26-27)**

Male And Female Created He Them

God told Jeremiah the prophet:

"Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee." (Jeremiah 1:5)

Paul told the Ephesians that:

"According as he hath chosen us in him before the foundation of the world." (Ephesians 1:4)

God knew His children before they were even physically born.

When His children were born, they were born after the likeness of God, male and female, with a body that God Himself had personally designed and felt He had done a very good job with- His creation. Not just good, but very good.

"And God saw every thing that he had made, and, behold, it was very good." (Genesis 1:31)

King David, in Psalm 139 said:

"I will praise thee; for I am fearfully and wonderfully made: marvellous are thy works; and that my soul knoweth right well."

The first article below deals with a subject we have dealt with previously, "Transhumanism". One of the most important goals of the transhumanist movement in simplistic terms, is the hope of making mankind, or those who are deemed worthy, immortal through genetic engineering. This would include introducing non human genes into the human genome system.

This was of course the initial idea God had in the first place, immortality, when He created Adam and Eve in the Garden of Eden but they broke the agreement by eating of the tree of the knowledge of good and evil.

Thankfully God did make a way to reconcile things through God the Son, Jesus, who became our mediator and reconciled us back to God and back to eternal life.

What the transhumanists are attempting to do is to attain eternal life without the mediation of Jesus Christ. The Bible says:

"He that entereth not by the door into the sheepfold, but climbeth up some other way, the same is a thief and a robber." John 10:1

Paul said in Philippians 3, that:

"We look for the Saviour, the Lord Jesus Christ: Who shall change our vile body, that it may be fashioned like unto his glorious body." Philippians 3:20-21

In the book of Job, chapter fourteen, Job said:

"If a man die, shall he live again? all the days of my appointed time will I wait, till my change come." Job 14:14

So Job talked about his change that was coming.

Paul, of course, talked about a major change that was coming that involved God's children and their bodies.

"Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed, In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.

For this corruptible must put on incorruption, and this mortal must put on immortality. So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory." 1 Corinthians 15:51-54

Now that's a big change. In fact, that is a change that all of God's children have been waiting and

looking forward to all the way back to the oldest book in the Bible 'Job'.

Transhumanists and true believers could not be more diametrically opposed in their belief systems. Transhumanists look at Christians as roadblocks in their quest of obtaining eternal life through the manipulation of the genome system.

Incidentally, " The human genome is the genome of Homo sapiens, which is stored on 23 chromosome pairs. More than 98% of the human genome does not encode protein sequences," this used to be referred to as "junk DNA" because scientists could not find any purpose for its use.

Well, we know God did not create us with junk DNA. Speculating, who is to say He couldn't possibly reactivate some or all of the DNA "in a moment, in the twinkling of an eye, at the last trump".
